Ref: **CAAP ALLOCATIONS – 2002 AERONAUTICS PROGRAM, RESOLUTION FDOA-2003-02**

## **SUMMARY:**

The attached Resolution proposes allocating \$497,000 for two safety projects from Fiscal Year (FY) 2003-04 of the 2002 Aeronautics Program.

## **RECOMMENDATION:**

The Department of Transportation (Department) recommends that the California Transportation Commission (Commission) approve Resolution FDOA-2003-02, allocation of California Aid to Airports Program (CAAP) funds in FY 2003-04.

## **BACKGROUND:**

In April 2002, the Commission adopted the 2002 three-year Aeronautics Program consisting of 59 projects and \$17,963,000. At the October 2002 meeting, the Commission requested all future allocations be made for safety projects only until sufficient funds become available in the Aeronautics Account. The attached resolution proposes to allocate \$497,000 for two projects from the 2002 Program for a safety project at the Cameron Air Park Airport to remove an obstruction by installing safety lights on a hill at the southeast end of Runway 31 and for a safety project at the Madera Municipal Airport to remove power lines near Runway 12.
